*Your Kia may require a modified schedule or additional time/mileage sensitive maintenance such as replacement of vital fluids, filters, belts & spark plugs. Please consult your Kia Service Advisor and vehicle owner's manual for complete details.

Canada is considered a "severe weather" climate. Recommended service should take place at every 6,000 km or every 6 months, or as indicated in the "Severe Weather Schedule" in your Owner's Manual. Please consult your Service Advisor for details.

Records Retention: You should retain documents to show that proper maintenance has been performed on your vehicle. You need this information to be able to establish your compliance with the servicing and maintenance requirements of your Kia Warranties. Detailed warranty information is provided in your Warranty Information Manual.
